# FICO

Franchise Invested  
Company Operated

## 01 WHAT IS FICO ?

FICO (Franchise Invested, Company Operated) is a dairy investment model where you start a dairy farm while TabelaWala manages the entire farm operations.

From animal care and feeding to milk production and farm management, our expert team handles everything—allowing you to earn from a professionally managed dairy farm.

Minimum Investment: ₹30 Lakhs

## 02 WHY FICO?

Earn passive income without managing a farm.

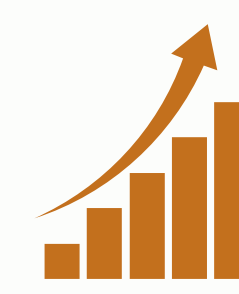

Your Cattle at Our Farm.

Ideal for first-time dairy entrepreneurs.

Professionally managed by TabelaWala.

A smart way to enter the dairy business with confidence.

## 03 BENEFITS OF FICO
